Harness the power of conflict by transforming destructive behavior into productive responses.

Everything DiSC® Productive Conflict is a training and personalized learning experience that increases self-awareness around conflict behaviors. We help participants effectively respond to the uncomfortable and unavoidable challenges of workplace conflict.

Rather than focus on a step-by-step process for conflict resolution, we personalize techniques to curb destructive behaviors so that conflict can become more productive and ultimately improve workplace relationships and results.

DURATION: Two hours

PARTICIPANTS: 10 minimum; 20 maximum
