

CREATING YOUR LEADERSHIP VISION VIRTUAL WORKSHOP

“Leadership is the capacity to
translate vision into reality.”

-Warren Bennis

Discover your potential as a leader
through creating/clarifying your
leadership vision and committing
to actions that move you, your
team, or your organization toward
your vision.

Where leaders gain perspective!

THROUGH THIS INTERACTIVE AND HIGHLY SELF-REFLECTIVE WORKSHOP, PARTICIPANTS WILL:

- Clarify their personal values and learn how personal values can be expressed through vision
- Learn why creating a leadership vision will improve their leadership effectiveness
- Understand the requisite mindset for putting a leadership vision into action
- Understand the different elements of a leadership vision
- Write the first draft of their leadership vision and share with fellow participants

DURATION: 4 hours
