

# INSIGHTFUL LEADERSHIP ALL LEVELS

This eight-day program is for employees at any level in an organization. It takes place over the course of two weeks, spaced approximately two months apart so that participants have an opportunity to practice new skills between weeks one and two. Participants explore various leadership topics and models and receive a variety of assessments in order to gain self-awareness and tools for influencing and leading others.

Where leaders gain perspective!

## WEEK 1 TOPICS:

- Outcomes and expectations for the program
- The difference between leadership and management
- Gaining personal awareness
- Team problem solving using decision-making models and analysis
- Building trust for team effectiveness
- Conflict management and collaboration

## WEEK 2 TOPICS:

- Leading change using the Change Style Indicator assessment
- Emotional intelligence utilizing the EQ-i 2.0 assessment
- Tools for maintaining personal resilience and its importance relative to their leadership effectiveness
- Share program impacts and leadership lessons from the class

**DURATION:** 8 Days
