

TRAIN THE TRAINER

Become a DiSC or Five Behaviors trainer! We believe in the multiplying benefits of training within an organization to build a culture that is inclusive, adaptive, productive and fun! One way to multiply the benefits is to train others to be trainers within their organization.

Our partnership with Wiley Publishing authorizes us to train trainers in Everything DiSC workshops and Five Behaviors of Cohesive Teams workshops.

Our highly interactive Train the Trainer workshops will give you the confidence and tools you need to be a successful Everything DiSC and/or Five Behaviors of Cohesive Teams trainer. Each stand-alone workshop includes a facilitation kit with customizable slide decks, PDF handouts, facilitation guides, and more.

EVERYTHING DISC:

Everything DiSC Workplace®, Work of Leaders and Productive Conflict are training and personalized learning experiences that can benefit every person in the organization—regardless of title or position, department or function—in building more productive and effective relationships at work.

FIVE BEHAVIORS OF A COHESIVE TEAM:

The Five Behaviors Personal Development solution teaches individuals to become better teammates by integrating Patrick Lencioni's effective teams model at the organizational level. The goal is to completely redefine teamwork and collaboration

Personal Development specifically works for individuals. Participants do not all need to be part of the same team. Rather, they carry the takeaways of this program from one team to the next, enabling a culture of teamwork.
